

Coronavirus Precautions

- We will keep to social distancing throughout the walk.
- You **MUST** sign a Tracing Form and Disclaimer before attending the walk.
- The wearing of masks isn't necessary on our walks but please do wear one if you would feel more comfortable.
- Please bring a flask or drink to consume after the walk (weather permitting)
- Please consider carefully if you wish to take part in one of our walks - current Calderdale Council guidance advises people not to mix with people outside of their household in any setting.
- Please wear suitable clothing - you will be contacted if we need to cancel the walk due to very adverse weather conditions.
